# Discovering the historical city center

One of the most ancient  
and important church in  
Tivoli: Santa Maria  
Maggiore

Narrow streets...

...and old buildings

The cosmatesque style  
floor

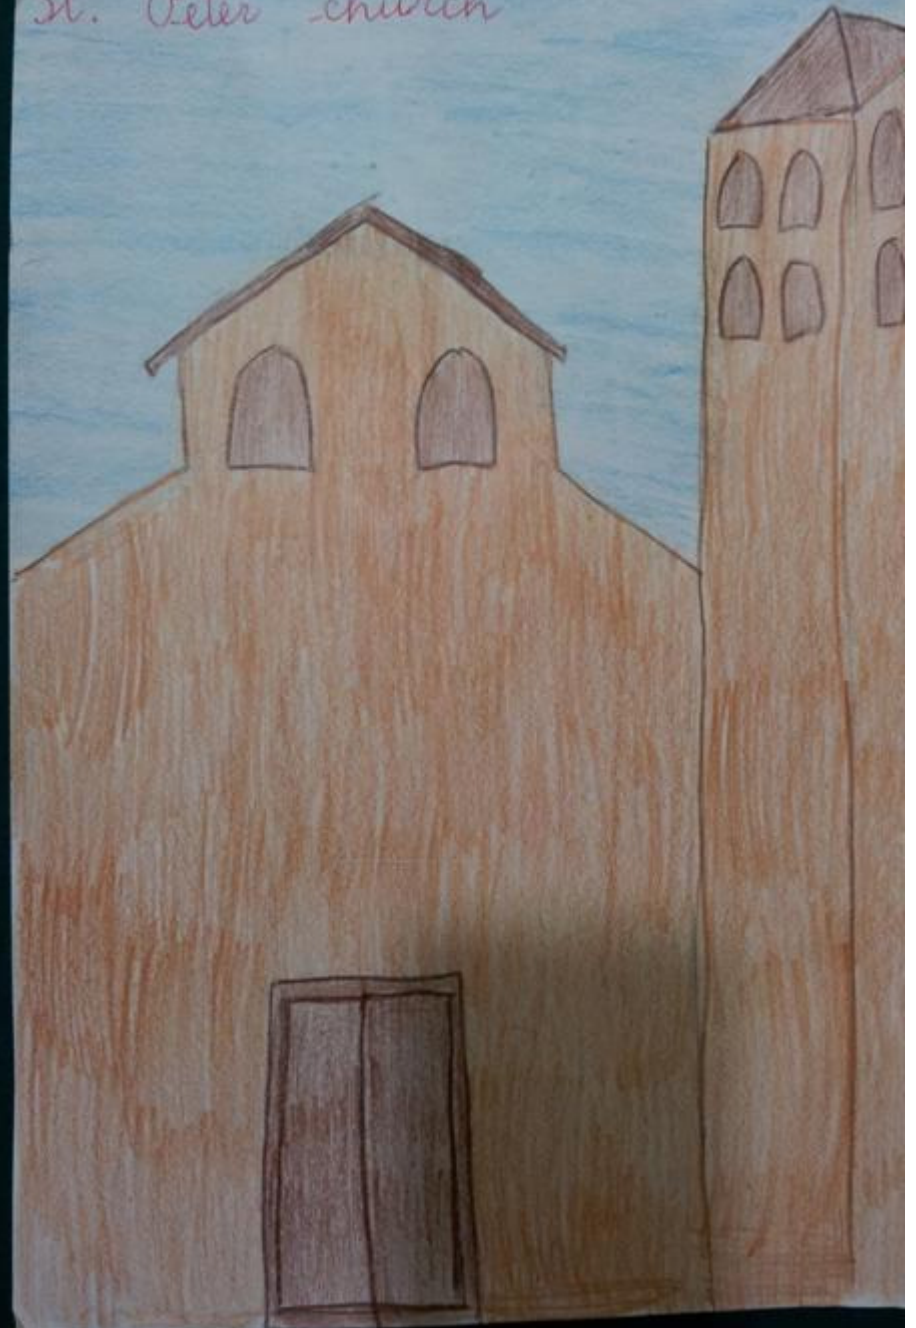

## St Peter church

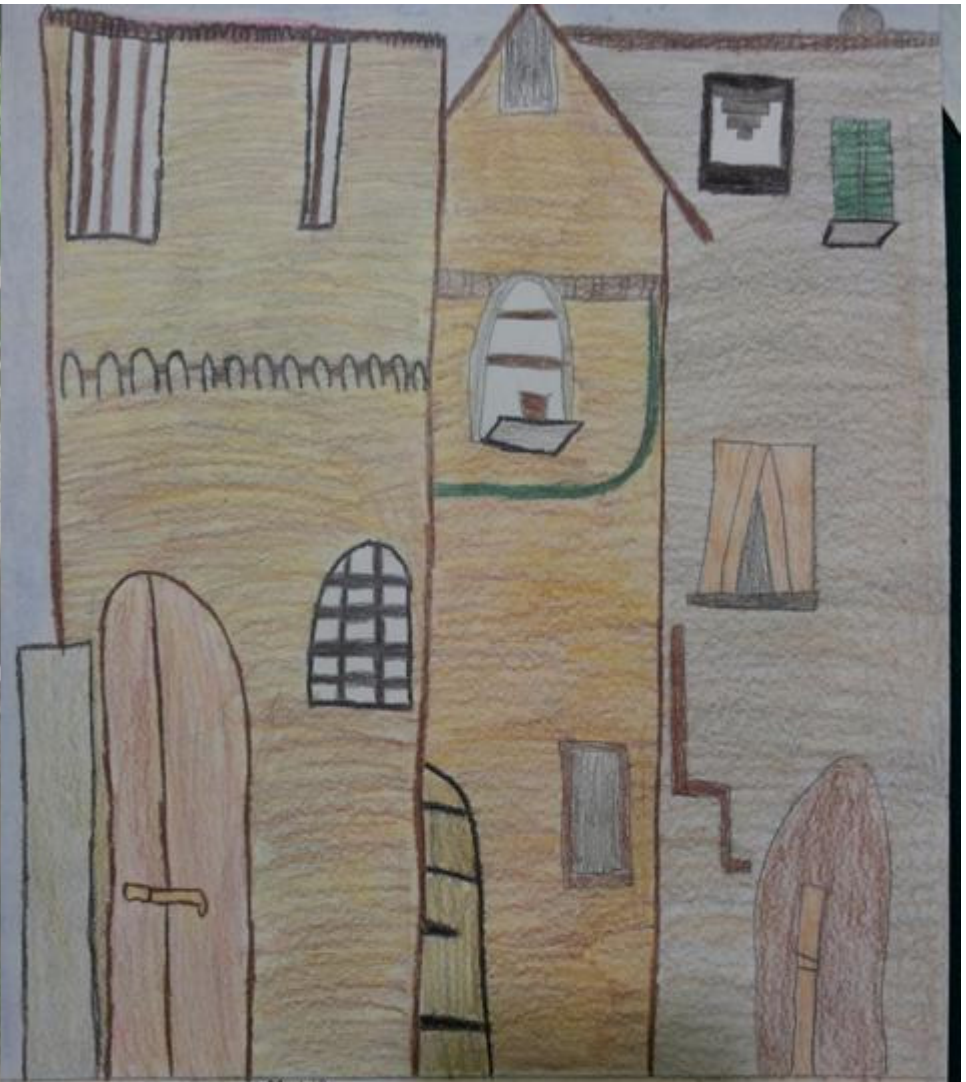

It's one of the most ancient churches in Tivoli. The church was rebuilt in the 12<sup>th</sup> century on the site of an ancient construction. The inside is divided into three naves separated by twelve columns. In the middle you can admire the Cosmatesque style floor.

Looking from the window of the church... Villa d'Este and its fountains

### Middle ages

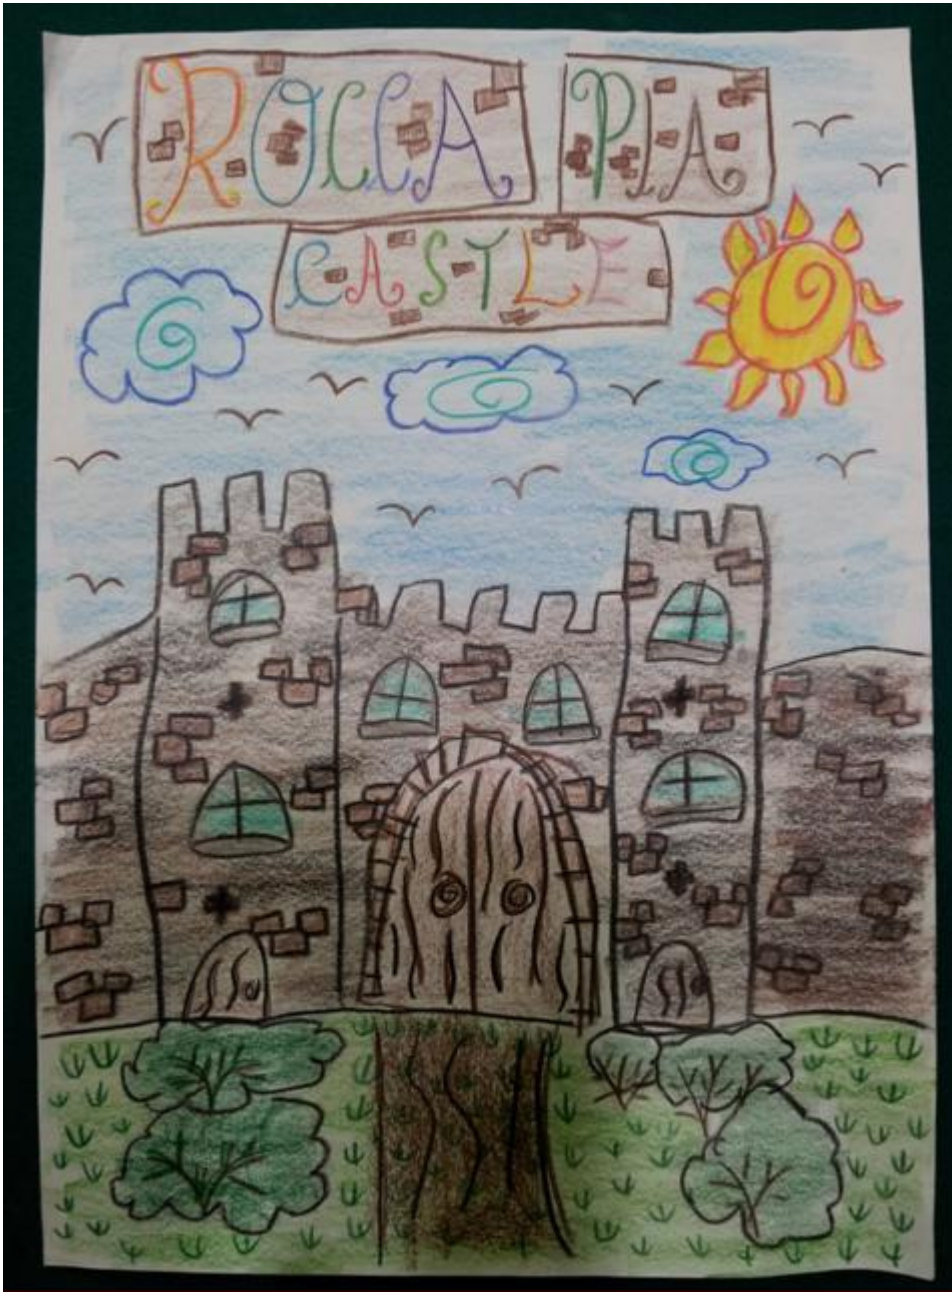

From the medieval Todi's registers and from other contemporary documents, there is evidence of a considerable number of strangers in the city, a sign of commercial exchange and active business with other cities.

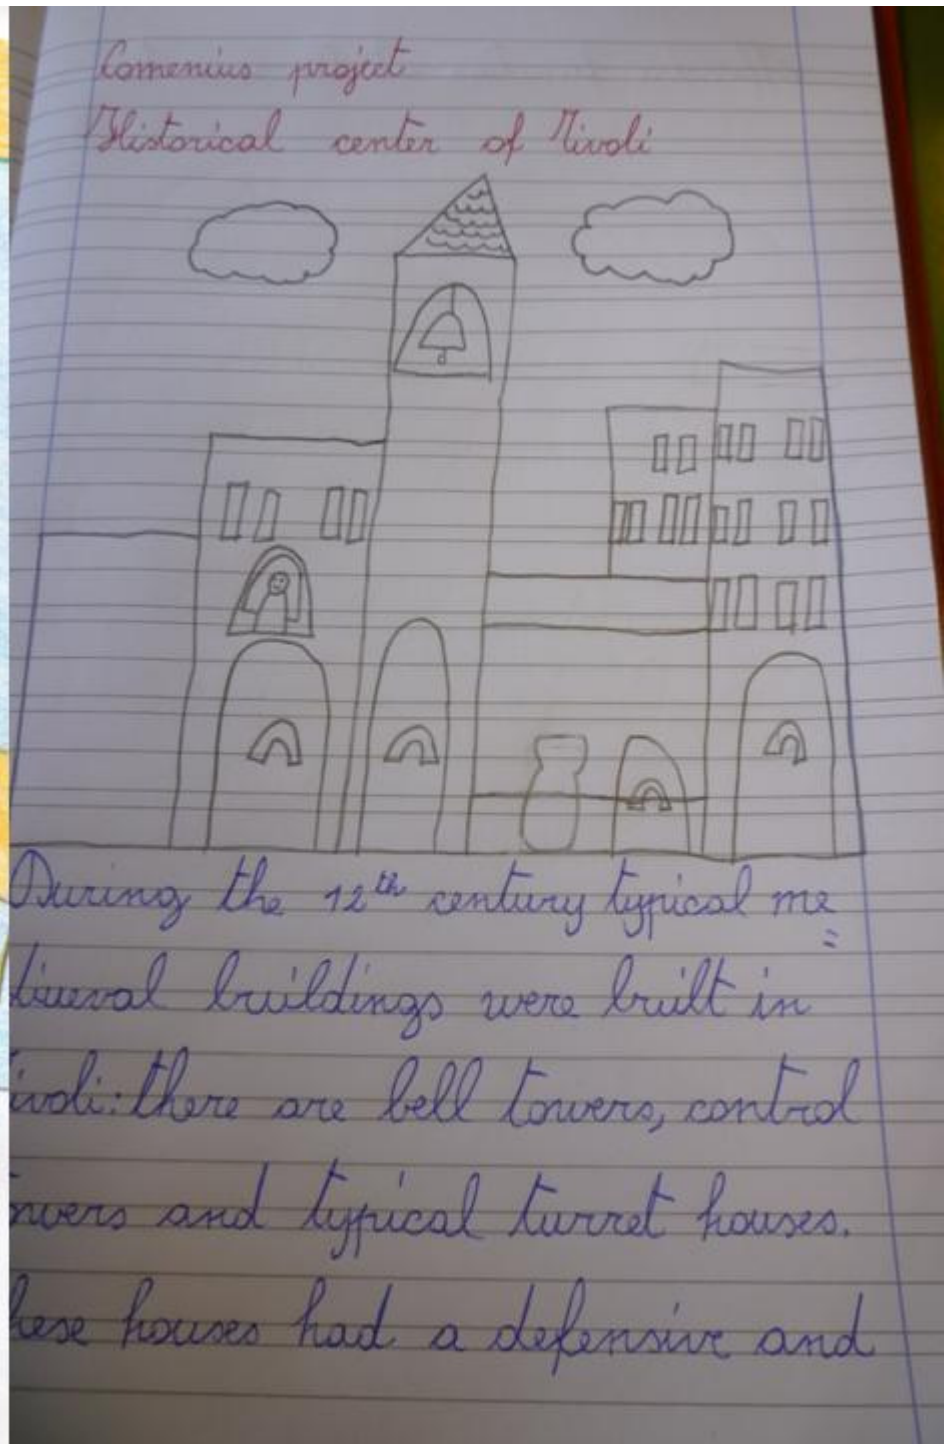

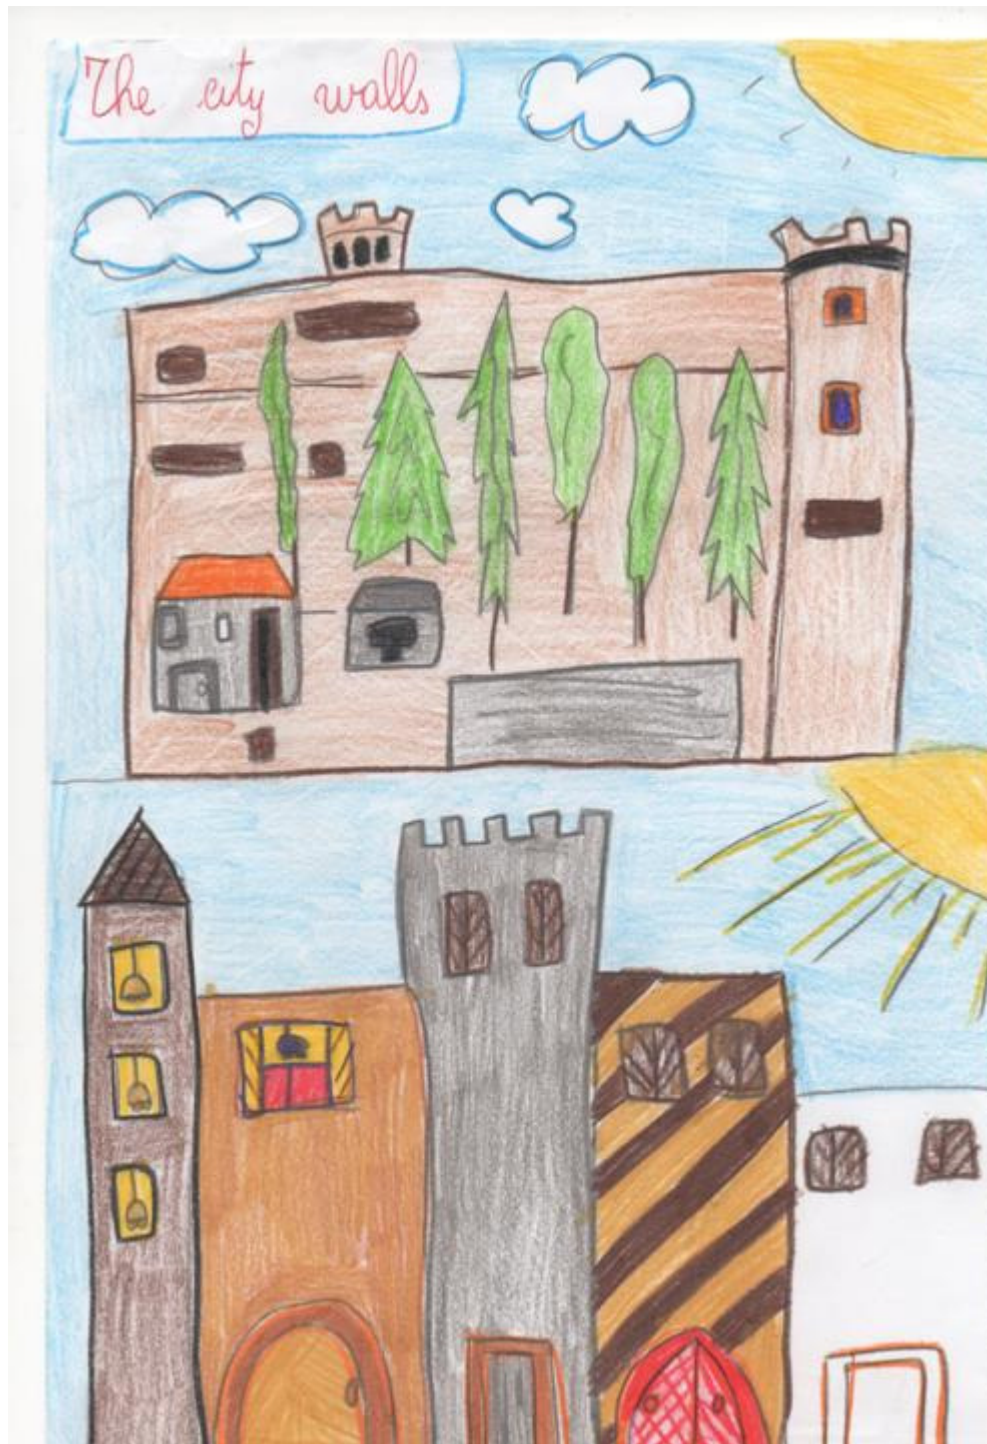

Gothic house  
As in the tower house, the entrance to this gothic house is on the first floor with a marble stairs.
